April 3, 2020

Good afternoon Morris Jeff families,

Per the Governor's recent proclamation, all Louisiana schools remain closed until at least April 30. As we sent out earlier this week, Morris Jeff Community School will follow the school calendar and take our spring break as scheduled, April 9-14.

Even though the physical school buildings are closed, school is very much in session! We are seeing so many wonderful lessons and student connections with our distance learning and I am very proud of all the work our teachers and students are doing every day. If your child has not participated in distance learning yet, please contact his/her teacher to assist in making that possible.

As we continue to live this "new normal", I hope that each of you finds valuable time every day to connect with your child around his/her assignments. We do not want our students to lose learning opportunities during this time, and we know that being able to connect to teachers and friends brings a much-needed sense of normalcy to children - and adults.

Quarter 3 report cards will be sent to families on Monday, April 6 by email. A phone call and text message will announce their arrival to your inbox.

I will provide more updates from the Louisiana Department of Education regarding LEAP 2025 requirements as soon as they become available.

I continue to think about and pray for our school community's health and well-being and hope to see everyone in the not too distant future. Please take care of yourselves and your families so we all come back together soon.

Patricia M. Perkins
Head of School
